Elementary School Summer Reading Requirements for the 2021-2022 School Year
St Bede and Holy Spirit

For summer 2021, each grade has different lists and requirements. Please read the instructions for your student's specific grade regarding books and assignments required.

All students going into Grades 1-6 will complete an activity in class during the first week of school using their completed reading response sheets. These classroom activities will be graded as class work. The reading response sheets and reading logs will be collected the first day of school (August 18, 2021) as well.

Like many schools, Montgomery Catholic Preparatory School has a summer reading requirement for several reasons. We assign summer reading because we want students to maintain skills learned throughout the school year, develop a habit of reading, and grow stronger and more confident in their skills. Reading gives anyone an opportunity to use his or her imagination, and it is essential for vocabulary development. Reading is not only a school skill; it is a life skill, and we want to ensure our students are prepared for all facets of their lives.

Grades 1-2

Students going into 1st and 2nd grade should read at least 10 picture books and complete the summer reading log for all books read (page 3). Feel free to use the back of the log if your student reads more than 15 books.

Students should complete the reading response (page 4) using **one** of the books. They should bring the completed reading log and reading response to school on the first day (August 18, 2021).
