We embrace the middle school life as a unique and special time for our students. At Montgomery Catholic, our middle school serves only seventh and eighth grades and provides small classes and a family atmosphere of support for our students during this exceptional time in their development.

Our caring teachers encourage all of our students to discover and sharpen their God-given gifts and talents through our curriculum of rigorous academics and unique electives.

SPECIAL EVENTS

LOCKER RAMA | We kick off the school year with an evening of fun before school begins for our students to get to know new friends, reconnect with old friends, practice their locker combinations, and learn the location of each of their classes.

HOMECOMING DANCE | We host a fall Homecoming Dance after the Varsity Homecoming Football game in our Dolly Barranco Center.

SPRING DANCE | Our Student Government Association hosts a spring dance with a student-inspired theme.

Our teachers are invested in the success of our students and offer tutorials for those who need extra help. Teachers also run Homework Hall after school for 30 minutes Monday through Thursday for students who need a little assistance or who want to get a head start on finishing their homework.

FELLOWSHIP & SERVICE

Our 7th and 8th graders have overnight trips filled with friendship and team building exercises at Camp Chandler. Every two years, our 7th and 8th grade classes have an opportunity to experience a three-day trip to Washington, DC in the spring.

Service opportunities are incorporated into the fabric of middle school life with numerous events held throughout the year for students and their families to participate.

ATHLETICS & CLUBS

Montgomery Catholic is a member of the Alabama High School Athletic Association. Middle school students may participate in a full offering of athletic teams at the middle school, junior varsity, or varsity level in baseball, basketball, cheerleading, cross country, football, golf, indoor & outdoor track, soccer, softball, tennis, volleyball, and wrestling.

There is a variety of extracurricular activities and clubs available for middle school students, including Knight Ambassadors, Student Government Association, CyberPatriot, Math Counts, Junior Youth Legislature, and our award-winning VEX Robotics and band programs.

FAITH FORMATION

Theology class is taught everyday in grades K3-12th grades, and is considered one of the core subjects. Each campus attends weekly Mass, First Friday Mass, and Holy Days of Obligation.

Our wonderful local parochial vicars and various parish priests visit with our students on each campus regularly, and are very much a beloved part of our campus environment.

ALL ARE WELCOME

Our school community is 60% Catholic and 40% non-Catholic. We welcome students of all faith backgrounds to join our Montgomery Catholic family!
