

The Nicolas Homsher Memorial Scholarship

High School Student (rising 9th-12th)

About the Scholarship:

Bill and Mindy Walski established this scholarship fund in October 2025 in memory of Nicolas Homsher, a student, co-worker, and friend. A member of the Class of 2017, Nicolas found his love of computer programming as an MCPS student and pupil of Mrs. Walski. This scholarship will be given to a Montgomery Catholic High School student (9-12), who will be chosen by a small committee of Administrators and faculty. The Walskis intend to honor Nick's memory by helping others who share his love of science, technology, engineering, and math.

Amount of Award:

The Nicolas Homsher Memorial Scholarship will initially provide a \$1,000 tuition assistance gift to a Montgomery Catholic High School student. The Scholarship amount may vary annually. Endowment earnings and donations shall be used to determine the award amount annually.

Application:

No application. Winner will be announced at the MCPS Scholarship Breakfast.

Qualifications for this Scholarship:

A practicing Catholic student in grades 9-12 who demonstrates a financial need, selected by the administration.
